Parent/guardian name

Mobile phone number

SMS permission (optional - leave unchecked to decline)

☐ Yes, I agree to receive automated, non-marketing classroom text messages from Douglas Monsky / BucsHQ Parent Messaging at the mobile number I provide. Messages include assignment and assessment reminders, classroom updates, and parent-conference coordination. Message frequency varies. Message and data rates may apply. Reply STOP to opt out or HELP for help. We will not sell or share mobile information with third parties for promotional or marketing purposes. Consent is optional and is not a condition of enrollment, instruction, grades, services, or purchase. I confirm that I am the parent/guardian and the subscriber or authorized user of this mobile number.

An unchecked box or an unsigned form does not authorize texting. Declining SMS does not affect other school communications. For an existing subscription, reply STOP or contact the teacher to withdraw consent.

Who operates this program

Douglas Monsky operates BucsHQ Parent Messaging for communication with parents and guardians of his students at Buchanan Middle School. This is a teacher-operated program, not the HCPS Focus system or a district-wide notification service. Contact: douglas.monsky1@hcps.net.

Information and purpose

We collect the parent/guardian name, mobile number, SMS consent choice, submission date, form version and consent wording. Signed paper forms also include a signature. These records are used to document permission, review signup requests, deliver classroom messages, respond to questions and honor opt-outs. Do not submit student IDs, grades, health information or other sensitive student records on this form.

No marketing sharing

Mobile information will not be sold or shared with third parties or affiliates for promotional or marketing purposes. SMS opt-in data and consent will not be shared for purposes unrelated to providing this messaging program. Service providers involved in hosting, record storage and message delivery, including our hosting providers and Telnyx, may process only the information needed to provide those services. We do not sell consent records.

Protection and retention

Digital records are kept in the site's managed database and are not publicly accessible. Paper forms are retained by the teacher with restricted access. Records are retained as needed to document consent, honor suppression requests and comply with applicable school record-retention requirements. There is no automatic deletion schedule currently. Hosting providers may process technical request information for security and operation; this signup page adds no advertising trackers.

Your choices

SMS is optional. Declining does not affect enrollment, instruction, grades or access to classroom services. Reply STOP to stop texts, or contact douglas.monsky1@hcps.net to request withdrawal, access or correction. A minimal suppression record may be retained to prevent further messages. Unchecking this signup box is not an opt-out for an existing subscription; use STOP or contact the teacher.

Changes

The effective date identifies this policy version. Material changes to the messaging purpose or consent scope require updated notice and, where applicable, renewed consent.

SMS Program Terms

Effective September 11, 2026 | Douglas Monsky / BucsHQ Parent Messaging

Program and eligibility

Douglas Monsky / BucsHQ Parent Messaging provides non-marketing assignment and assessment reminders, classroom updates and parent-conference coordination. This program is for parents and guardians who are subscribers or authorized users of the submitted mobile number.

Optional participation

Opt in by checking the separate SMS consent box on the online form or checking and signing the paper form. Leaving the box unchecked does not subscribe you. Consent is not required for enrollment, instruction, grades, services or purchase. Other school communication channels remain available.

Frequency, charges and delivery

Message frequency varies. Message and data rates may apply according to your mobile plan. Delivery depends on your carrier and is not guaranteed. Carriers are not liable for delayed or undelivered messages. This is not an emergency service or a continuously monitored channel.

STOP and HELP

Reply STOP to unsubscribe. You may receive a final confirmation of your opt-out. Reply HELP for assistance, or email douglas.monsky1@hcps.net. Reply START to request resubscription after opting out. Tell the teacher if you change or relinquish your mobile number.

Signup and activation

Submitting the form records your choice; it does not immediately activate texting. Signup requests are reviewed by the teacher. Messages begin only after the program is approved and the applicable consent is confirmed. This form does not override an existing STOP request.

Privacy

The program's SMS Privacy Policy explains how information and consent records are used. Contact douglas.monsky1@hcps.net with questions about these terms or the privacy policy.
